Cristian's dream

Once upon time, there was a young boy named Cristian, a boy who had wonderful dreams, he had a brilliant ~~weakness~~ highlighted among others as motivation, dedication and responsibility to be one of the best English students in upper-intermediate and Advanced English courses, he had the mother's and his twin's support, they lived with him in the South of Bogota city.

His mother and twin brother were pleased and good tempered. They treated Cristian very kindly, her mother supported him doing the best effort to help him with his studies at La Gran Colombia University, Cristian wanted to be an English teacher, he enjoyed teaching, he longed for sharing his knowledge with people like him, he thought a teacher is helping others, he wanted the school to be a place where he had the advantage of becoming himself.

One day, he started teaching English to children in a mainstream classroom of Liceo Julio Cesar Garcia school, in May of 2016, but all things were going wrong because he felt nervous having smart students, so he depressed and he didn't want to continue, but he found support in his teachers who helped him to continue, and then he decided to continue trying and trying until he achieved the goal to have the possibility to teach other people like him.

Now, that boy is reading this text, this boy is the main character of the story, he has gotten over the different obstacles, he was and he will be his own challenge, this boy has learned to face up hard situations, but he wants to achieve his objective which is to be the best teacher in the world.
